Professional Summary

Creative and passionate 3D artist with over 8 years of experience in animation and motion design, with a strong foundation in filmmaking and a degree in Cinematography from the University of Montreal. I've spent the last 5+ years working full-time in a creative agency environment, crafting immersive 3D content, experimenting with new technologies like AR filters and motion capture, and pushing the limits of visual creativity.

I am now seeking a new opportunity that challenges me technically and creatively, enabling my continued growth in the area of 3D and motion design.
